For the 43th time we are organizing a "James Last Happyning". After 35 years it seems that this simple formula is still up-to-date: an enjoyable afternoon with Lastfans, a delicious meal, ditto for the drinks and of course the music and pictures from everybody's idol as connecting thread.

If you come for the 43th time or as a newcomer, we will be glad to welcome you and we promise to offer you a fascinating afternoon "All in". See you!
